innovators, if you are an innovator with a dream to transform your innovation in to a start-up, this is your chance to showcase your talent to industry experts, mentors and people at

Somaiya Vidyavihar and Maker India Foundation are launching Maker Mela – Biggest Nationwide Maker Movement, a platform for innovators, creators and designers ranging from a kite maker to an automobile engineer.

Maker Mela seeks to trigger ideas and innovations, provide a platform for innovators to showcase their innovations, from pottery to 3D printing, there's some for everyone.

Maker Mela aims to bring together scientists, engineers, technocrats, artists and craftsmen across the country to present their applications of ideas and explore how they can work together by combining art, science and technology. If you think you are a maker this is the place to be.
